Dear Sirs:

I hereby certify that the following (type of work), including both its current and any updated future versions, the author(s) of which is (or collectively are) (name of the author (s)), titled “(name of the work)” is licensed to One Laptop per Child Association, Inc., (OLPC), under the terms of the Creative Commons License 3.0 Attribution – Share Alike (CC 3.0 BY-SA) – the human-readable summary and the legal code of which can, as of today, (Date of the certification agreement), be found at <http://creativecommons.org/licenses/by-sa/3.0/us/> and <http://creativecommons.org/licenses/by-sa/3.0/us/legalcode> respectively. The purpose of this License is for the Licensors to have the Work shared as part of the content being distributed with the laptops, which OLPC designs, develops, and distributes directly or indirectly to its end users, in conformance with the mission of OLPC to design, develop, manufacture, and distribute inexpensive, network capable and independently powered laptops, to provide as an educational tool to school-aged children, and with its open source policy.

The definitions given in paragraphs e, f, g, and h of Section 1 of CC 3.0 BY - SA are to be construed as follows:

e. “Licensor” means (the name of the Licensors (if the Licensor(s) is the same as the author(s), you should write the name of the author(s))), who offers the Work under the terms of the license.

f. “Original Author” means (the name of the author(s)) who created the Work. (If each author has created specific parts of the Work, please indicate each part, according to the author.)

g. “Work” means (the type of the work), (including both its current and any updated future versions,) the author(s) of which is (or collectively are) (name of the author (s)), titled “(name of the work),” whatever may be the mode or form of its expression including digital form.

h. “You” means One Laptop per Child Association, Inc., a non-profit organization, the primary purpose of which is to design, develop, manufacture, and distribute sufficiently inexpensive, network capable and independently powered laptops, to provide as an educational tool to school-aged children, so as to enable their access to information and modern forms of education.

According to the License, the Work, as defined above, is protected by copyright and/or other applicable law. Any use of the Work other than as authorized under this License or copyright law is prohibited.

Sincerely yours,

(name of the Licensor)
