

XO Time

Hello, my name is XO **Kazubwenge**. I am 8 years old. I live in XO Land, which is very far away. I am very curious; I like to teach, to learn and make new friends.

I also like to read books, write stories, solve math problems and create my own artwork.

I have been working on some projects on my XO laptop. I started with Turtle Art because I can teach the Turtle to do many interesting things.

You can find Turtle Art in your XO laptop by clicking on the Turtle.

I already taught the Turtle how to draw a square, a circle and a triangle. To do it, I just drag and drop the blocks to open space and double-click over the blocks. To erase the drawing, I click on the eraser 

Here are the scripts that I used to teach the Turtle to draw a square, a circle and a triangle:

Script to draw a square.

Script to draw a circle.

Script to draw a triangle.

DOUBLE CLICK over the script to execute

Change pen size, color & shade here. Try to change the numbers around

The King of XO Land told me to ask students from Rwanda for help because they are VERY smart! Can you teach the Turtle to draw others shapes like a rectangle, pentagon or hexagon, etc. using the blocks to create one connected script? Can you show me how to do it?

Don't be scared to make mistakes and try things out!

YOU CAN FIND HELP WITH MY FRIENDS FROM OLPC SATURDAY, JULY 4, 1:00-3:00pm AT MTN CENTER AT BOURBON CAFÉ (just look for XOs) Bring your XO!!!

To send me your work:
 Once you are done, save your work, by pressing "keep." This will save your project to the journal. Once you have saved, click on your journal. You should see your project as the most recent on the list. It should be called "turtle art activity" click on this writing and change the name to your name.
 Then find a location with Internet access and log onto your email. Open a new message and click "attach file" or "attachment," etc. You should look for your project. Double click on your project, so that it is attached to your email. Write anything in the message that you want me to know about you. For example, how old are you? What grade are you in? Which school do you study? Once you are done, send your email to: xo@laptop.org
