To OLPCORPs Organizers

Oromia Development Association (ODA) was established in March 1993 as a non-profit making indigenous NGO with a vision to see oromia free from poverty and backwardness having a mission to contribute to sustainable development of oromia, focusing primarily on the rural community. ODA is working in collaboration with different levels of education offices, teachers training colleges and stakeholders.

Currently ODA has four projects. Out of which, one of our project named, "Basic Non-formal education" project is much related to your OLPCORPs project proposed by your candidate team members (Dagmawi S. Tesfa & Demerew K. Tesfaye) to improve the literacy rate. Your project helps us to improve alternative basic child education between the age of 7 and 15.

Therefore, by taking our mission with your candidate team proposal in to consideration, we are ready to fully support the OLPCORPs project. As your team members request, we are ready to provide the following supports to the project.

1. To provide secured store for laptops, server, accessories and other materials belongs to OLPCORPs team related to the project in our main office Addis Ababa and Branches.
2. To provide transportation for two persons and 230Kg from Addis Ababa to the selected location (Oromia Development Association Asri Branch, Asella city).
3. To organize meetings between your team, teachers and community representatives. Even if children's will be on summer break during your team arrival, we will create environment with the community representatives, schools and children for the team to provide a tutor to them.
4. Arrange and provide facilities such as classrooms, desks, benches and office furniture's for your representatives of OLPCORPs team.
5. We will take the responsibility to follow up and monitor for the sustainability of the project after August.

ODA wishes all the best for your team and also a success to OLPCORPs project. We would like to inform you that our office is open for any kind of questions regarding our support.
