

# Volunteer at our Haiti School

*Piti, piti, zwazo fe nich li  
Petit à petit l'oiseau fait son nid  
Little by little a bird builds its nest*

We invite you to help us develop our model **OLPC primary school** and the surrounding Croix-des-Bouquets **community** as a part of the **future for Haiti**.

**Volunteers** are needed to support existing programs in these fields:

- Model OLPC (One Laptop per Child) learning environment
- daily food program
- women's empowerment
- Kreyol literacy and numeracy
- English
- agriculture
- goat husbandry
- micro-lending
- neighborhood mapping
- biking
- knitting
- metal work

We have **aspirations** as well in these areas: ● teacher training ● solar electricity ● recycling ● health issues ● establishing a library ● young farmers club

*Ti moun se richès  
Our children are our treasure*
