Date, the 24th of March 2009

To: The Delegate,
Basic Education,
Bui Division.

Subject: Letter of Acknowledgement and Collaboration

Dear Sir,

We of TechCeFaCos Group Cameroon aimed at promoting creativity and technological empowerment for all Cameroonians wish to inform your high office of our partners with **BRAC University Bangladesh** for a proposed project: **OLPCorps Africa** which is a joint project between us, of TechCeFaCos Group Cameroon, IT Students of BRAC University Bangladesh and OLPC US.

This project OLPCorps Africa is aimed at the training teachers and the deployment of 100 Laptops for use in primary school with pupils of age 6-12 years. In this regards therefore, we have chosen and propose to you two schools-Government Primary School Mbve and DIDAVIV Bilingual Nursery and Primary School Tobin; in your region of jurisdiction.

So, we are therefore requesting for any possible collaboration from your ministry should our proposal be accepted for implementation in the Kumbo Community of Cameroon.

N.B:-

- Please, Sir do facilitate us with curriculum info that relates to the use or teaching of computer studies i.e. the introduction of computer studies in primary schools
- Any document i.e. recommendation document for wiliness and collaboration toward this hopeful project in your area of jurisdiction.
- Attached to this letter is the project: **OLPCorps Learning Guide**.

Thanks for cooperation and understanding.

Your sincere,

Emmanuel F. SEVIDZEM
Managing Director
