

One Laptop per Child

Carla Gomez Monroy

November, 2008

carla gómez monroy

**vision**

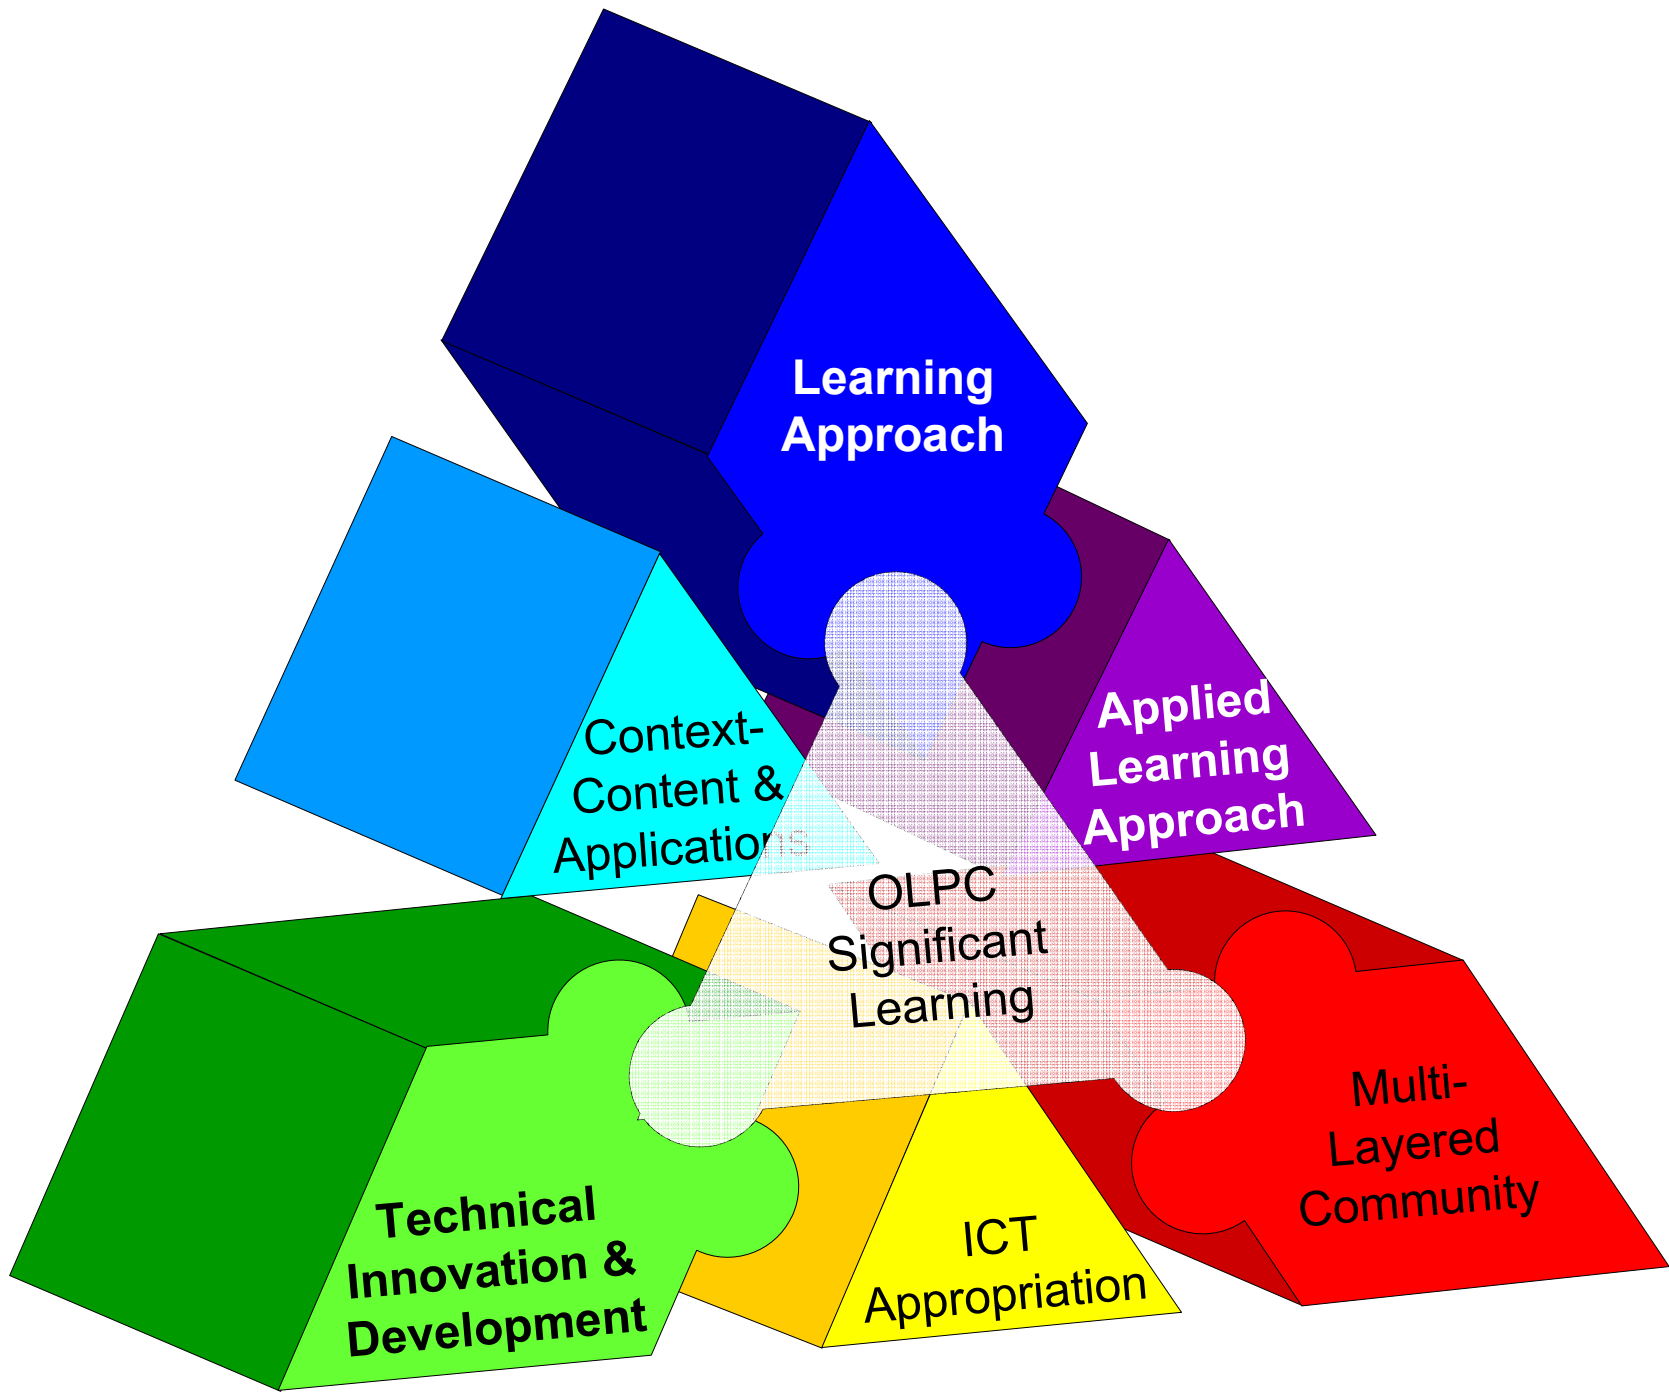

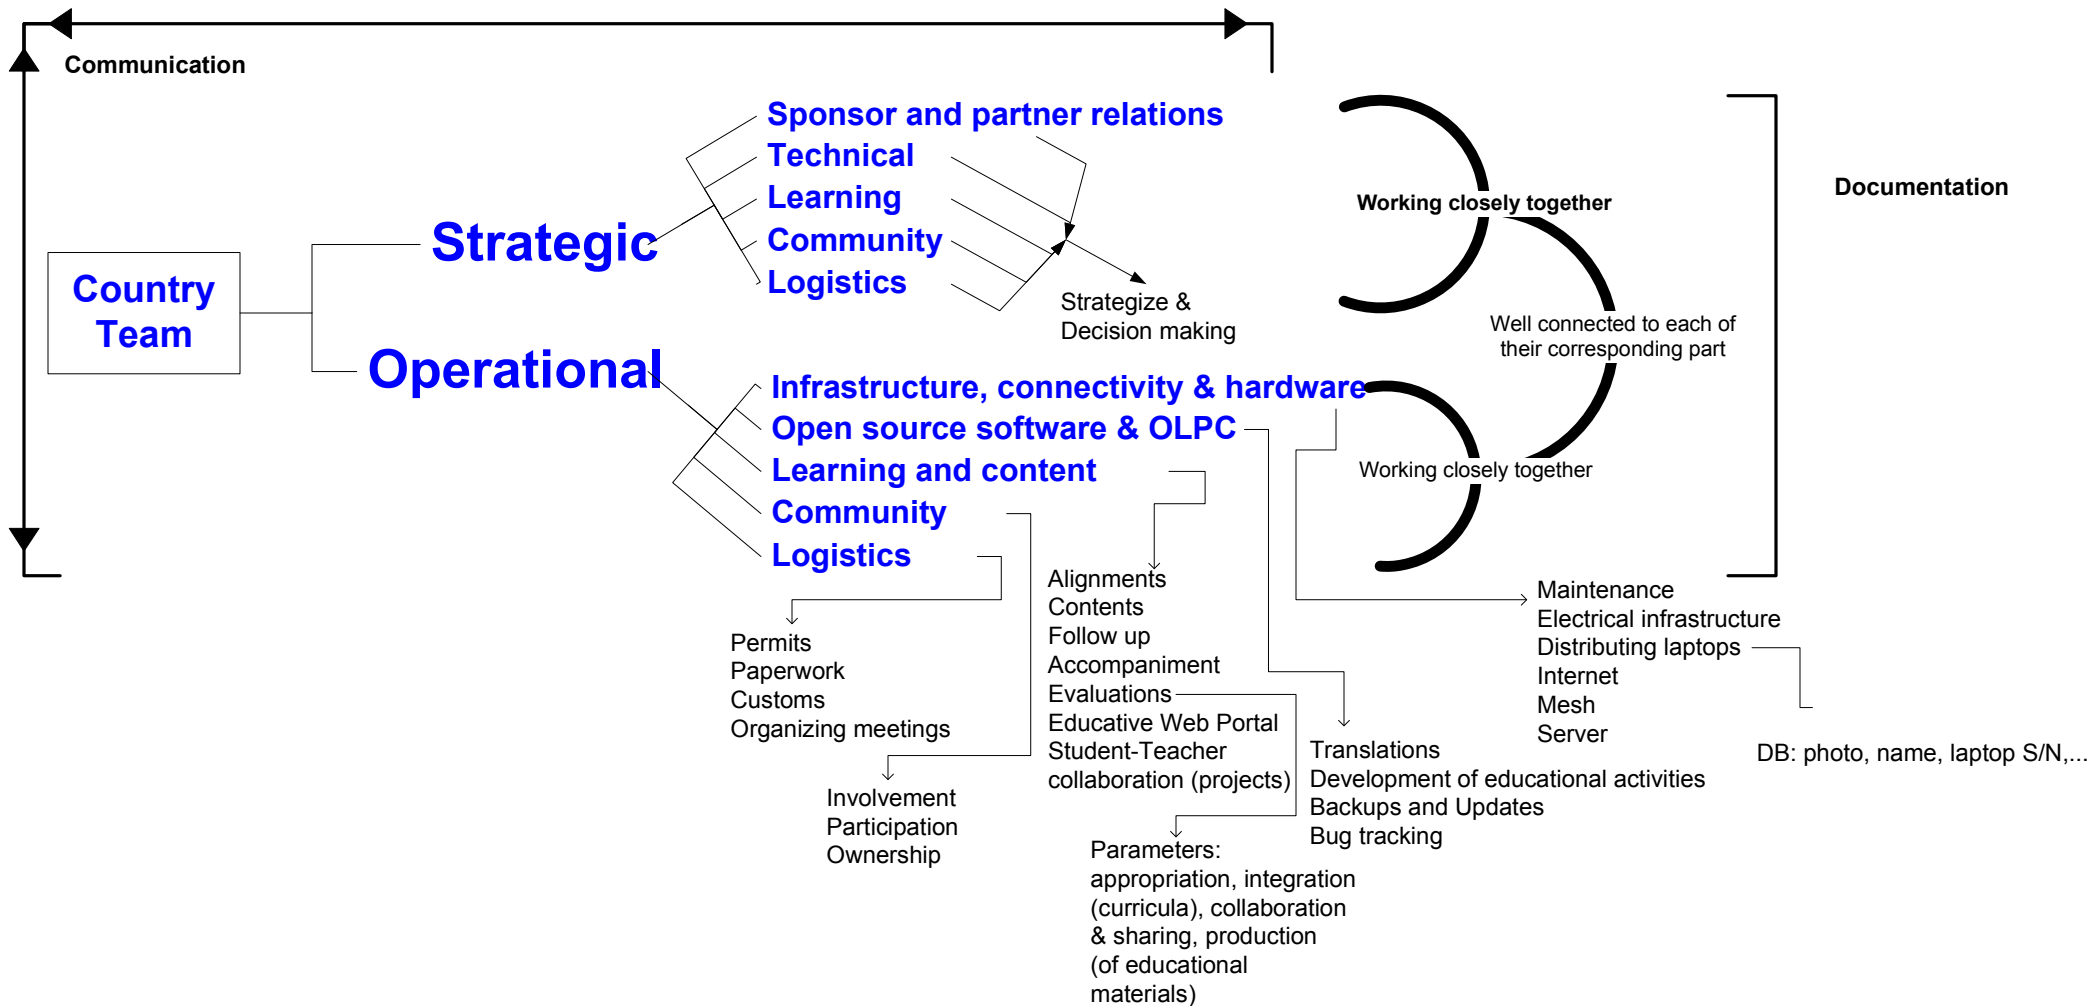

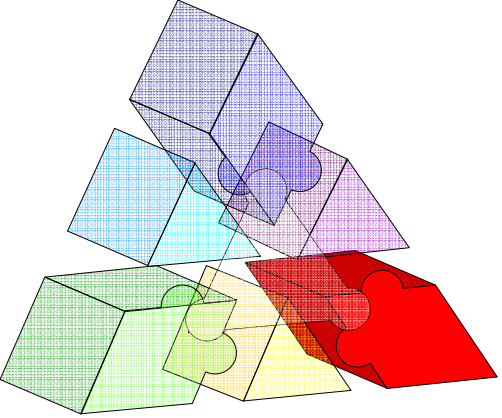

One Laptop per Child creates educational opportunity for the world's poorest **children** by providing each child with a rugged, low-cost, low-power, connected **laptop** with **content** and **software** designed for collaborative, joyful, self-empowered **learning**.

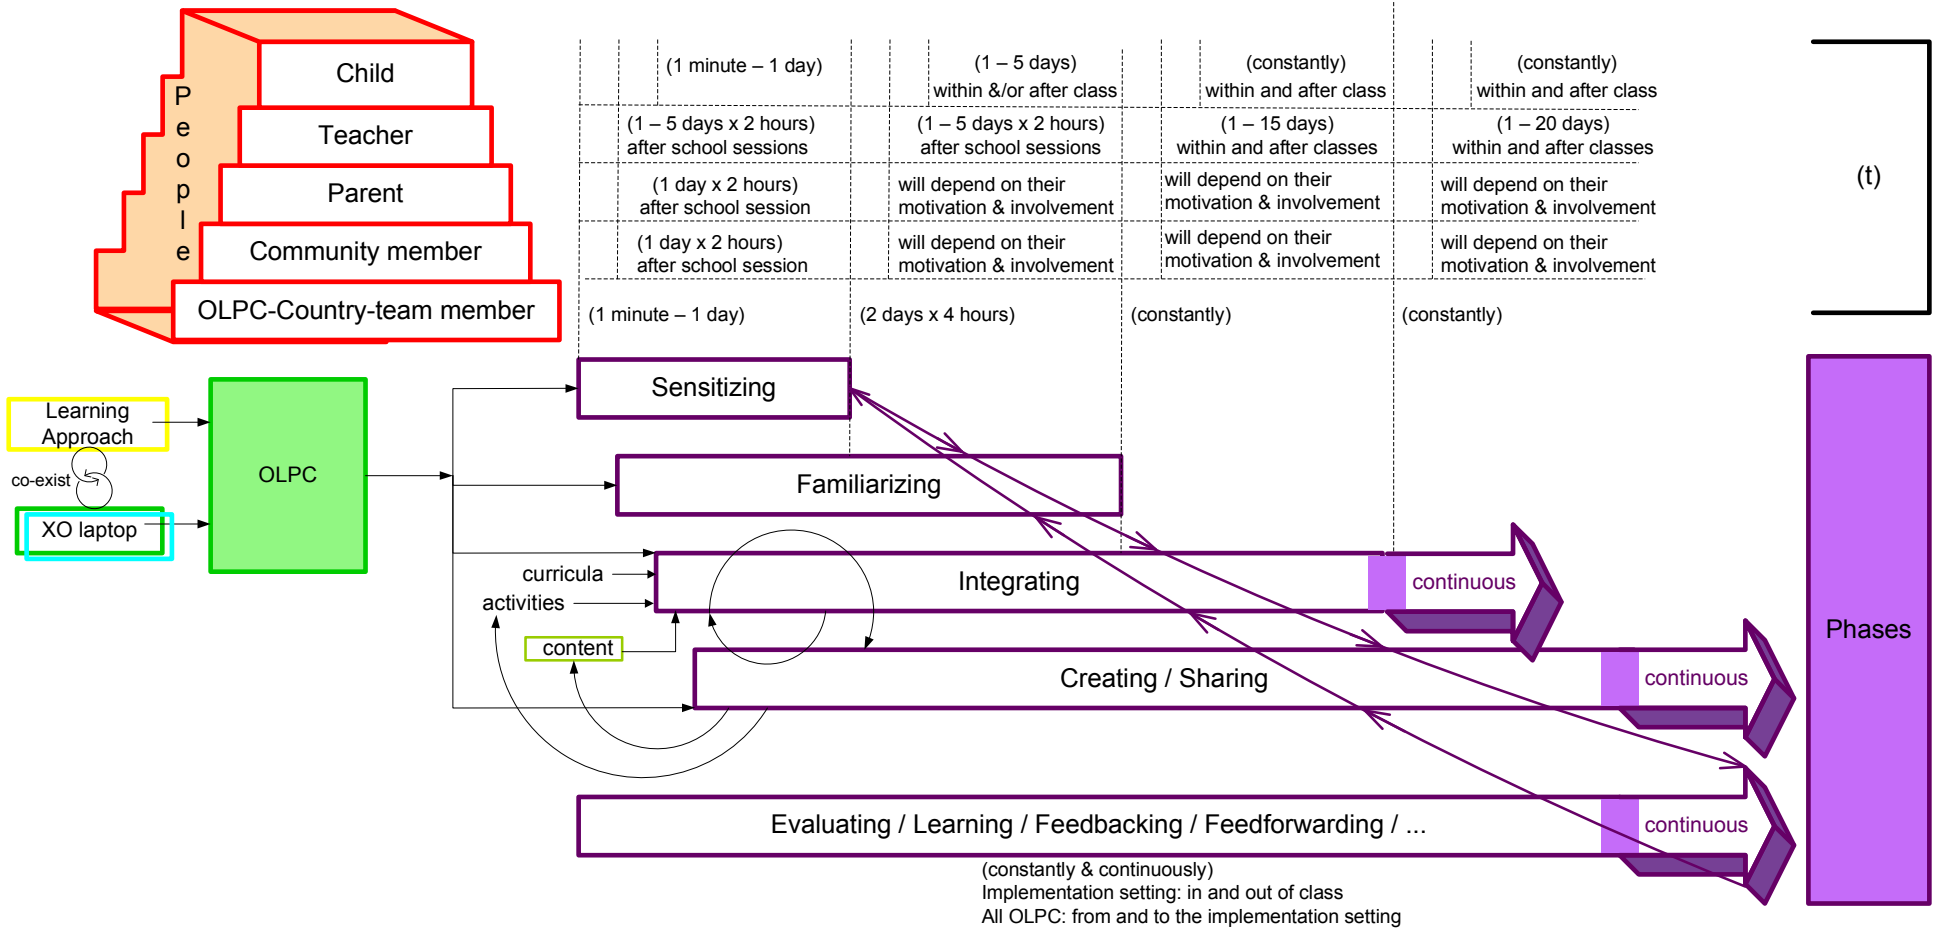

**mission**

# LEARNING IMPLEMENTATION

“one for all, and all for one”

Dumas

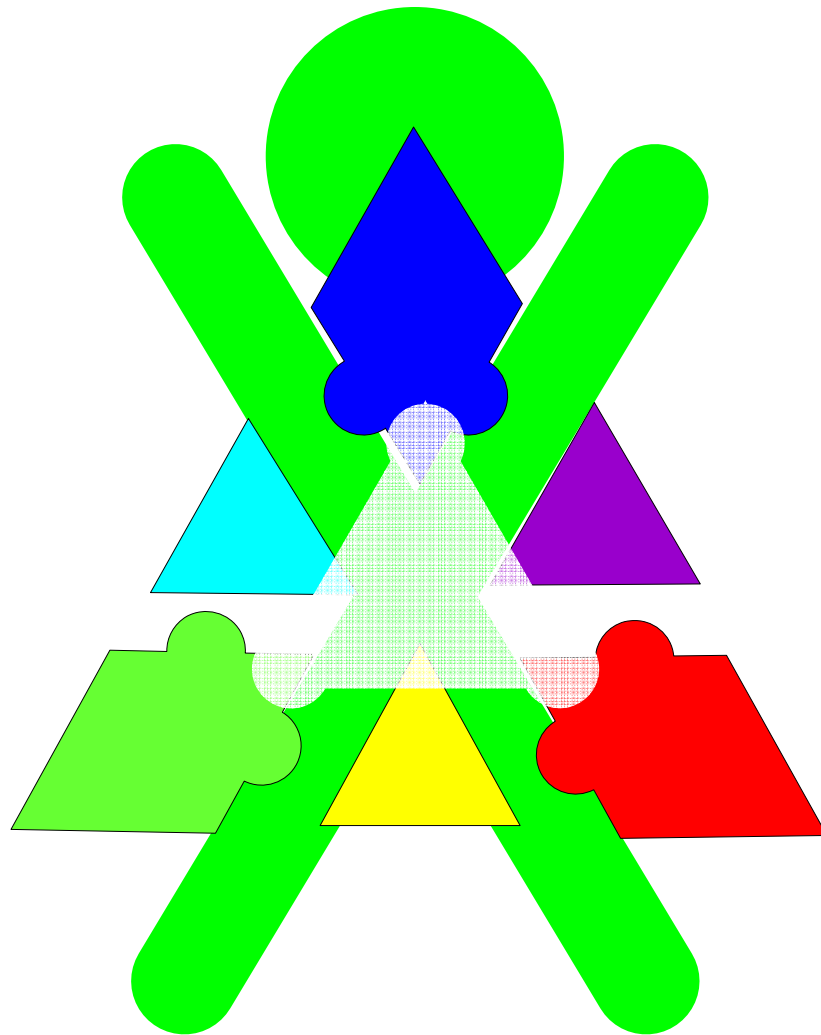

1. OLPC is thoughtfully passed on to them

2. They explore and try OLPC to merge it with their own context

3. They construct, share, build and make OLPC evolve
