

OLPC XO Laptop

The Lab for Technological Literacy is supporting the OLPC XO Laptop project by raising awareness locally and conducting research and development initiatives.

Give One, Get One

The Give One, Get One program is a chance for you to donate an XO laptop to a child in a developing nation, and to purchase an XO laptop for yourself. This allows OLPC to give away thousands of laptops to places like Ethiopia, Mongolia, & Rwanda.

New User's Group

RIT will be forming a OLPC XO Laptop users group in January of 2009.

All meetings will take place in GCCIS Bldg. 70, Golisano Auditorium Rm 1400, 7:00PM - 8:50PM, on the 4th Thursday of the month.
